

**PRESIDENTS MESSAGE** by: Kimmy Stockli

Where have all of the pitchers gone? We've had some pretty sad turnouts for the tournaments this year and we need to figure out why. Is it the gas prices? Is it that you're just tired of the same old thing? Do we need to have more money tournaments? Yes, changes do need to be made, and the current officers are trying to come up with some new ideas for next year to encourage more participation. We would like to hear from all of you regarding this, and would appreciate any ideas you may have. Let your delegates know, and have them bring your ideas to the Annual Meeting on November 4th.. This year's meeting will be held in Vallejo again, at the Vallejo Senior Center. Please contact me for directions, if you need them.

Here come the NorCal Championships!

We will be holding our annual NorCal clean-up day on Wednesday, October 4th., at the Yolo Courts. Please come out and give us a hand to get the courts and grounds ready for our NorCal Championships and Awards Dinner. In the past we've had great success with the cleanup, and hope to again this year. So, come on out!! We'll start the work between 8 am and 9 am. Coffee and pastries will be available. However, you may want to pack a lunch. See ya there!

Just a little update on George Greett. I spoke with him on the phone a couple of weeks ago and he sounded great!! He said he just finished chopping 2 cords of wood for winter and is doing just fine. I can't imagine chopping 2 cords of wood now, let alone when I'm in my 90's. You go George! He says he misses all of us, and hopes to see everyone at his Birthday Tournament in Sonoma next April.

I'm looking forward to seeing all of you at the NorCal Championships. We've hired Harvey Brown to entertain us again this year. He always does a great job! Remember we'll also be handing out the annual awards. So don't miss out on the fun!

1st. Vice President: by Sharon Paddock

3rd. Vice President: by Bill Harris

News & Views editor and NCHPA By-Laws.

It is a pleasure to be the editor of the "News & Views". I really enjoy the job. I do wish more clubs would send a club article in by the deadline. The article can be on any club event or happening. The deadlines are printed on page 2.

It also is a pleasure doing the By-Laws of which is up for any changes this November at our Annual meeting in Vallejo. Some proposals are printed within this edition.

REDNECK OLYMPIC GAMES by: Casey Sluys

Coming June 8,9,10, 2007 to the Tehama County Fairgrounds in Red Bluff, CA., will be the Redneck Olympics. Please visit this site for detailed information: <http://www.redneckolympics.com/>. The organizers have contacted the NHPA/NCHPA and asked for our participation in this event. There will be over 1000 "athletes" participating during the course of the three days.

In an effort to promote regular horseshoe pitching as we know it; I have taken the opportunity to tell them that we would conduct a tournament for them. There is one major drawback though, they want proof of insurance. The only way we could do that is to hold an NHPA sanctioned event with closed participation. Meaning only NHPA members could pitch in the tournament. Doing it that way would severely limit the local people who would want to participate. Thus we'll attempt to hold a tournament open to anyone. The way I envision this to work is to limit registration to 100 or so pitchers and pitch a double elimination over the three days. The finals would be held on Sunday, of course. The winners would receive some amount of prize money and be crowned the Pro-Am California State Champion Horseshoe Pitcher. There would be short-distanced group, a Junior group and a full-distanced group. Each group would receive money for first, second, and third places.

This will be a great opportunity to bolster the Shasta and the Willows HCs, we ought to be able to gain some new members from this and they could join those two clubs. Who knows; we may even have enough participants to begin a new club in Red Bluff? What do you say? Let's give it our best shot!

It's still real early in the planning stages, but you folks ought to plan to attend. There will be three television stations and at least one radio station covering the events for the weekend. We couldn't begin to ask for a better opportunity for publicity and if we all wear our club shirts to this event we would certainly stand out! Stay tuned for further details and please, if you have any questions let me know?

All proceeds from this event go to the Disabled American Veterans (DAV)**Feather River Club** by: Audrey Winters

Our club held two successful weekends of tournaments this past summer and would like to thank all those who participated and helped. We really do appreciate the scorekeepers. Unfortunately, our president; Jim Thorp has resigned as he realized he is physically unable to pitch horseshoes any more. We need someone to volunteer to take over the presidency in order to keep our club going. Any volunteers???

A majority of the clubs have not submitted their **requests for tournament dates**. The deadline is past and Charlie Hall needs them so he can put'em together for the Nov. 4 Annual meeting. Please....send your request ASAP to Charlie.

- Paul Peterson is battling some serious back and leg problems and Ralph Carter is still trying to get some strength back after some serious surgeries.

Recruit some Junior Horseshoe Pitchers!!!

We need'em to fill up the NCHPA clubs! I'm old and maybe won't be around in 20 yrs., need someone educated and with experience to take my place; the Juniors can only learn by joining and doing their best and as they grow they might get envolved with the doings of NCHPA.
 I started when I was eleven years young. Thanks to "Putt Mossman". Bill Harris

Tri-Valley Club by: Linda Hoelscher

We had eight members go to the State tournament in Bakersfield. Five of the eight finished in the money. Those winning were Linda Hoelscher, "State Champ" for the women's division. Harvey Kooy placed third in Men's C, Bill Faler placed fifth in Men's D, Richard Robbins placed fourth in Men's I and William (Bill) Boggess took fourth in the Senior B group. Way to go!

Tri-Valley hosted the 35th. Annual Firefighter's Summer Olympics on July 18th.. Several of Tri-Valley members came out and prepared the courts and helped keep score for this event. I wish to thank all the workers. Bill Brown, Marthe & Marty Dunn, Linda Hoelscher, Ray Szczepanski, Doug Jones, Ed Cortez, Bill Faler. The event went well with over twenty-five participants. The firefighter's served a nice lunch also and made a nice donation to our club.

We wish to send out get-well wishes to two of our members who have been under the weather lately. Gerry Saunders Sr. is home recovering from heart surgery and Marty Dunn is home after having a bout of double pneumonia. Get well soon guys.

Placer County Club by: Jenny Hoy-Goodacre

John Terry will be 93 on November 2nd. He is very dedicated to horseshoes even though he can no longer walk between the courts. (We play doubles in practice). He is not able to pitch in tournaments but never misses a practice. He uses a motorized scooter.

Jenny Goodacre is a new grandmother of twins, a boy and a girl, born on September 14, 2006. Mother and twins are doing very well. Zachary weighed 6 lbs 4 oz and Brook weighed 5 lbs 10 oz., a very good size for twins. Jenny will be spending a lot of time with the twins in San Jose.

We are preparing for our tournament on Sept. 30th and hope to see many of you there at the lovely Shingle Springs courts.

Just a **reminder** if you haven't already sent in your clubs check for the NorCal raffle, please do so, \$20.00 or two (2) ten dollar raffle prizes. Thanks to all of the clubs that have sent checks already.

Mike and Helen did a great dinner for us last year and the wonderful band of **Harvey Brown** made us jump and sing - they will be there again so we can dance our toes off, and I'm sure the food will be top notch too. Hope to see you there.....Thanks Gail

San Jose Club has just been awarded 21 horseshoe pits by the City Council....estimated completion is August of 2007.

Vallejo Club by: Jim Wallace

I am sorry to tell you Linda Parnell [our Secretary] passed away, I will be taking her position. She was a member of our club for many years. She will be missed!

Some good news.....We have a new member "Donald R. Drummer....active duty; TAFB. Watch out; he's coming in at 26% and for sure he's going higher. Oh by the way, Ben, President of the Vallejo Club has stepped up a bit to short distance. He's had problems with the knee, plus it's about time!!!!

Yes, he's over 70 and you better watch out....Ben is HOT! Bill Milligan is the one to watch. He's changed his shoes "Mr. D's to Snyder E7 Flips and is pitching a good 70%. I can't forget about Pat Murtha and Glen Conner and Jerry Wagner....these are the pitchers that keep things going in our club. They are always there at any time. We are not forgetting our other members, like Joe Summers....the Corporal. It looks like Doug Simon will be back with us this year. He's had big time problems with his pitching hand, the grip is not there. Hopefully he will be back with us next year. Jim Wallace is still dragging his feet, but he will get it together soon.

Vallejo Club had their Annual Picnic at the Sr. Ctr., in Vallejo. Long time member.....Mr. Vern Gosey and his son were the cooks. Approx. 21 members attended. Everyone had a great time and look forward to next year.

We hosted an NHPF Open Benefit Tournament on Aug. 20. It was a cool Sunday morning, but just right to pitch horseshoes. All those that participated had a great time.
